

Summer finally arrives! As the weather improves and kids get out of school our minds naturally wander to the fun outside and to summer vacations. Witnessing God in nature is quite powerful but please don't let summer goodness slow, soften or regress your faith growth. How can you spend more time in prayer while enjoying the birds chirping and the sunsets and sunrises? Where can you witness to God's glory as you attend festivals, visit flower gardens and other outdoor activities? If that summer vacation is upcoming how will you worship in the midst of what can sometimes be some chaos? I've included below a Jewish Wayfarer's Prayer for you if you journey away from home this season. May it be a reminder to include God in your travel plans. Blessings to you!

Pastor Tim

Jewish Wayfarer's Prayer

"May it be Your will, O Lord, our God and the God of our ancestors, that You lead us toward peace, guide our footsteps toward peace, and make us reach our desired destination for life, gladness, and peace. May You rescue us from the hand of every foe, ambush along the way, and from all manner of punishments that assemble to come to earth. May You send blessing in our handiwork, and grant us grace, kindness, and mercy in Your eyes and in the eyes of all who see us. May You hear the sound of our humble request because You are God Who hears prayer requests. Blessed are You, our Lord, who hears prayer. *Amen.*"

Thank you to everyone for the delicious desserts you prepared for Betty Campbell's memorial. You certainly outdid yourselves with all the delicious treats. What a great variety.

Thank you again and also a big thank you to all the helpers who prepared, helped serve or helped cleanup.

Thank you again,
Fran Pruchenski
