Thanks to a grant by the Living Water Association we will have new television screens for worship.

The big screen will remain in place for now, but words and videos will now appear on television screens on either side of the sanctuary (and the TV from last year in the back).

Thank you as well to Matt Finney and Max Finney for their work helping to install the TVs and mounts.

100% of the costs were covered by the technology grant from our Association.

Thank you to all those that helped with clean-up on April 11th.

Any articles or submissions for the open door can be emailed to Cyndi at rcoblisk@aol.com

2021 SUMMER GUITAR CLASSES!

Rev. Ray Deuring will be offering an eight week crash-course for beginners and those wanting a refresher on the guitar.

Starting SUNDAY, JUNE 6 AT 6:30 PM and running Sundays through June and July.

If you are interested you will need:

A guitar. Accoustic is preferred but not necessary.

A pencil and “Mel Bay’s Modern Guitar Method Grade 1, with online audio and video”.

A music stand is handy but not essential.

This is for anyone who has an instrument and wants a jump-start. It is not comprehensive by any means but it is a lot of fun and an opportunity to learn with and from others.

We will move in quite rapid succession to touch on:

Reading music

Chords in the first position

Tablature

Care and feeding of your guitar

There is no cost but you must register to participate.

Any age over 8 years old is accepted. It is highly recommended that younger students be accompanied by a parent to aid in the fast pace and large quantity of information that we will go through every week.

While not required it is expected that the student will perform in worship on their guitar at some point after the sessions.

EMAIL rwdeuring@gmail.com TO REGISTER

REGISTRATIONS MUST BE IN BY JUNE 1
